Manufacturing Education)  
*Advanced Manufacturing Technician Program  
(AMT)*

**ARE YOU INTERESTED  
IN A CAREER IN  
MANUFACTURING?**

Arkansas Federation for Advanced Manufacturing Education (FAME) is an industry partnership with the [University of Arkansas at Monticello-College of Technology Crossett](#) ([click to access website](#)) campus. The partnership's purpose is to implement an apprenticeship-style training that will create a pipeline of highly skilled workers in manufacturing production and operations..

## THE ARKANSAS FAME DIFFERENCE

Sponsored students are not only receiving training for a future job, they also are obtaining a high-level technical education and practical job experience. The program provides students with two years of relevant, paid job experience that matches the learning environment. As a result, apprentices are better prepared for their future career.
